The Virginia Bar Association Offers Additional Benefits on Optima Health Plans

If you are a member of *The Virginia Bar Association* and you have between 2 and 99 employees - you are eligible to receive additional value added benefits from Optima Health for your employees and their families.

What does it cost?

You do not have to pay any additional premiums for these value-added benefits. Once you sign up for Optima Health insurance (at the determined premium level) - and indicate you are a member of *The Virginia Bar Association*, these value-added benefits will be included to your plan at no additional premium cost.

What do we get?

- Based on your plan selection, you could qualify for:
- Annual gynecological exam and Pap test
- Annual mammogram and colorectal cancer screenings
- Routine prostate exam and PSA test
- Routine immunizations and well child care
- Reductions in specialist office visits and outpatient surgery co-payments
- Additional Employee Assistance Programs sessions

Why do it?

By offering an Optima Health plan, you can enhance the benefits you receive with no additional premium costs.
